Ayatollah's signature soulful sound played a key part in the beat driven explosion of mid-90's hip-hop. Having since produced hits for some of the biggest names in hip-hop today including G-Unit, Ghostface, Rakim, Talib Kweli, Pharoahe Monch, Tragedy Khadafi, and R.A. the RUGGED MAN, Ayatollah steps away from collaborative efforts and redirects attention back to his main craft, the beats. His first solo album includes 13 unreleased tracks.
