**Brother JT**, has just recently released his latest LP on **Birdman Recordings**, 'Off Blue', and **Drag City** is taking this opportunity to re-release three of the records available on Drag City...

*"Imagine a nerdy looking guy behind the controls of a day-glo painted Stealth bomber on a personal mission to flatten the planet..."--WIRE, '99*

- **Brother JT** is an institution on the psychedelic rock scene, playing clubs and ballrooms with equal aplomb.
- 'Spirituals' was produced by **Neil Michael Hagerty**.
- 'Way To Go' was produced by **Adam & Eve**.
- **Brother JT** records are deep, penetrable records that seek to entertain. And as the years go by, that palette just keeps expanding.
- Former member of the **Original Sins**
