**Brand new single from Brighton's critically acclaimed four piece, a hypnotic late night mantra, the perfect taster of the stunning forthcoming album, Amber.**

- 'Good Clean Fun' is the first single to be taken from the eagerly awaited third album, and is the perfect introduction to a band still growing and developing their craft.
- Produced by Clearlake's Jason Pegg with recorded by Phill Brown (Talk Talk, Led Zeppelin) and mixed by Steve Osborne (U2, Happy Mondays, New Order), Good Clean Fun sizzles along and features a sonic guitar solo that Jason describes as 'just little shards of sound'.
- The lead track is backed with a fantastic, psychedelic remix by Caribou.
